RE: MB Docket 10-56

Dear Chairman Genachowski:

St. Jude Children's Research Hospital is internationally recognized for its pioneering research and treatment of children with cancer and other catastrophic diseases. Ranked the No. 1 pediatric cancer hospital by *Parents* magazine and the No. 1 children's cancer hospital by *U.S. News & World Report*. 5t. Jude has treated children from all 50 states and from around the world, serving as a trusted resource for physicians and researchers. I would like to respectfully share with you our public comments and opinions pertaining to the proposed Comcast-NBC/Universal/Telemundo joint Venture, identified as "MB Docket 10-56." I personally believe that this joint venture will be beneficial for NBC Universal's Hispanic viewers in Dallas and nationwide.

At St. Jude, we truly value the relationship we have with Telemundo Dallas television station since 2003. For the past seven years, we have partnered with them on several fundraising campaigns to raise the sufficient funds to cover the treatments of thousands of children at St. Jude Children's Research Hospital. Our organization has had the privilege of working with NBC5/KXAS-TV in the promotion of our biggest Hispanic Gala in Dallas called "Night of Hope, Noche de Esperanza". Telemundo Dallas has generously donated public service spots and sponsored the event for the past six years.

Telemundo Dallas has shown their commitment to the community, their viewers and employees by being a respectful and loyal organization and will continue providing the Hispanic community with high quality content. At St. Jude we are looking forward to continue working with Telemundo Dallas for several more years to come. Please, do not hesitate to contact me if you have any questions.

Sincerely,

Karina Sandoval

Re: MB Docket No. 10-56

Dear Chairman Genachowski:

The Greater Nashua Dental Connection in Nashua, New Hampshire, is a community-based dental office that helps those who might otherwise go untreated. Comcast has been a huge help, dedicating volunteers to us on Comcast Cares Day. We appreciate its support and endorse the joint venture of Comcast and NBC Universal.

The Dental Connection treats patients from a variety of backgrounds, all of whose families make just enough money to put food on the table but who otherwise need a little help to get by. We are proud to do our part to make sure that these families have good oral hygiene and a brighter future.

We need whatever help we can get to maintain our office, and Comcast has really risen to the challenge. This year 100 company volunteers turned out on Comcast Cares Day to give our building a facelift -- inside and out. For example, Comcast volunteers installed a sign and built a fence as well as painted the building's exterior.

For all of its hard work on our behalf, we are grateful to Comcast. I hope the FCC will keep Comcast's commitment to the Greater Nashua Dental Connection in mind while it reviews the partnership proposal of Comcast and NBC Universal.

Sincerely,

Dee Twomey
